5	Part 2 - Section VII – Schedule of Requirements - Page No. 93	Part 2 - Section VII – Schedule of Requirements - 4. Packaging And Labeling- 4.3	All components of the All-in-One computer set must be packaged in a single box. For each one of the three lots separately, the Bidder shall demonstrate that it has successfully and substantially completed at least three different contracts within the last five years prior to bid submission deadline, where the combined value of those contracts shall be at least USD 5 million (US Dollars five million) and those contracts shall be similar in nature and complexity to the Goods and Related Services under the Contract. For a joint venture, this requirement may be met by all members combined. To be determined similar in nature, these contracts should be related to either one or more of desktop computers, all-in-one computers, laptop computers, tablet PCs or interactive boards that have an integrated computer. Note: If a bidder bids for more than one lot, in order to qualify for award of contract for all those lots the bidder must cumulatively meet the required minimum combined value of the contracts for those lots, whereas it is not necessary to cumulatively meet the required minimum number of contracts for those lots.	All components of the All-in-One computer set must be packaged in a single box or individually separated boxes. For each one of the three lots separately, the Bidder shall demonstrate that it has successfully and substantially completed at most three different contracts within the last five years prior to bid submission deadline, where the combined value of those contracts shall be at least USD 2.5 million (US Dollars two million five hundred thousand) and those contracts shall be similar in nature and complexity to the Goods and Related Services under the Contract. For a joint venture, this requirement may be met by all members combined. To be determined similar in nature, these contracts should be related to either one or more of desktop computers, all-in-one computers, laptop computers, tablet PCs, smart phones, server, storage, network equipments or interactive boards that have an integrated computer. Note: If a bidder bids for more than one lot, in order to qualify for award of contract for all those lots the bidder must cumulatively meet the required minimum combined value of the contracts for those lots, whereas it is not necessary to cumulatively meet the required minimum number of contracts for those lots.
